Dan Canine concentrates his practice in the structuring, negotiation, documentation, and closing of equipment and trade finance transactions.

Dan represents banks and equipment finance companies on equipment loan and lease originations, lease and loan acquisitions, and sales and remarketing of off lease equipment. He also represents banks and equipment finance companies in connection with establishing financing, vendor and referral programs, and developing standard equipment finance documentation.

He serves as outside General Counsel to Mitsubishi HC Capital America, Inc.

In addition, Dan has extensive experience representing banks and finance companies on a variety of other transactions including secured financing transactions, receivable purchases, payables programs, and workout and restructuring transactions.

Dan began his legal career with Bodman in 2000. Over the last 25 years, Dan has practiced at Bodman and held in house roles, including at Macquarie Equipment Finance and most recently at Mitsubishi HC Capital America, Inc. where he served as Executive Vice President and General Counsel. His extensive in-house experience provides him with unusual insight into the legal needs of financial institutions and the nuances of complex finance transactions, allowing him to provide his clients with exceptionally effective and efficient representation.

Dan is a legal instructor for the Certified Lease & Finance Professional (CLFP) Foundation.
